

2024 Senior Yearbook Info Sheet

There are a few ways that each Senior can add their personality to the book, and Senior Parents and families can send messages of hope and encouragement to their Senior and share memories.

Photo Submissions: What's the point of a yearbook if it doesn't have photos? It is essential to a successful yearbook that YOU submit photos. We'll take plenty around campus, at events, on field trips, and more. What we can't capture are the homeschool moments, the awesome vacations, the family photos, and holidays. We will send out a special email address that is a direct link to submit photos to the yearbook. The link will be sent through the Seniors email list.

Senior Section: The Eagle's Nest yearbook includes at least 18 pages dedicated to the graduating Class of 2024. All seniors will be included in these pages in these ways at no cost:

- **Opener Class Photo:** This is a full-page photo of all the graduates together. This photo will be taken at the first Senior meeting, **August 24, 2023**. If a retake is necessary, it will happen at the second Senior meeting. Retake date TBD.
- **Prom:** There will be a professional photographer for posed shots at the Prom. Some, if not all, of these will be included in the yearbook. There will also be a staff photographer at the Prom to take candid photos for the yearbook.
- **Cap & Gown Photo:** These will be taken on the first school picture day, **Thursday, August 31, 2023**. A cap and gown will be provided for picture purposes. The caps & gowns for graduation are ordered separately.
- **Senior Quote:** 25 words or less. Quotes must meet EN standards and will go through editorial check. Seniors may need to clarify meanings. **DUE DATE: January 31, 2024**
- **Senior Bio:** Includes each Senior's plans after graduation, their favorite Bible verse, and a wallet-sized photo, usually a candid. **DUE DATE: February 29, 2024**
- **Words of Wisdom:** (optional) Well-wishes, words of encouragement, and etc. from parents, family, teachers, and more for individual seniors. 500 character maximum per entry. **DUE DATE: January 31, 2024**
- **Graduation:** On graduation day there will be a couple of rehearsals and the final event. During one of the rehearsals, the professional photographer will take the photo of the diploma presentation.

Yearbook Ad Section: The ad section is open to anyone to purchase an ad for a specific student, their family, or a business. However, there are three types of ads that are only available to Seniors. Ads are purchased based on size. Yearbook ads can be created by

Autograph Insert: Because we choose to include end of year events like family day, prom, the Spring musical, and graduation our yearbook is not delivered until the end of July/beginning of August. This means that our Seniors don’t have the chance to sign each other’s yearbooks which is a bummer, so we had some inserts made. Each Senior will get a free insert with a yearbook order and only \$2 without a book order. Extra inserts are \$2 each.
